Pertinent Medical Cannabis Definitions pursuant to the Nevada City Municipal Code

"Cultivation" means any activity, whether occurring indoors or outdoors, involving the propagation, planting, growing, harvesting, drying, curing, grading, and/or trimming of cannabis plants or any part thereof for any purpose, including medical marijuana.

"Dispensary" means a medical cannabis business facility where cannabis, medical cannabis products, or devices for the use of medical cannabis or medical cannabis products are offered, either individually or in any combination, for retail sale, including an establishment (whether fixed or mobile) that delivers, pursuant to express authorization, medical cannabis and medical cannabis products as part of a retail sale.

"Distribution" means the procurement, sale, and transport, of medical cannabis or medical cannabis products between entities licensed pursuant to the MCRSA and any subsequent State of California legislation regarding the same.

"Manufacturer" means a person that conducts the production, preparation, propagation, or compounding of manufactured medical cannabis, as defined in this section, or medical cannabis products either directly or indirectly or by extraction methods, or independently by means of chemical synthesis at a fixed location that packages or repackages medical cannabis or medical cannabis products or labels or relabels its container.

"Testing laboratory" means a facility, entity, or site that offers or performs tests of medical cannabis or medical cannabis products and that is both of the following:

- (1) Accredited by an accrediting body that is independent from all other persons involved in the medical cannabis industry in the state.
- (2) Registered with the State Department of Public Health.

Amy Wolfson
City Planner
City of Nevada City
317 Broad Street
Nevada City, CA 95959

Dear Ms. Wolfson:

Revive is pleased to submit our application for a medical cannabis manufacturing and distribution permit.

We have researched the new state cannabis regulations regarding the application process for a state cannabis manufacturing license and distribution license.

The state will offer temporary licenses as of January 1, 2018. The prerequisite for applying for a state license is a local permit or other form of authorization. In regards to the other form of authorization, our interpretation of the state's language is that a letter written by the city will meet the state's requirements. We would greatly appreciate your writing a letter to the state that would include the following:

- Nevada City has received an application from Revive for a local permit to manufacture and distribute cannabis products
- The application is currently under review
- Provided Revive meets all the city's Medical Cannabis Business Permit requirements, the city intends to grant a cannabis manufacturing and distribution permit to Revive.

We have no intention of circumventing Nevada City's permit requirements. We simply want to comply with the state's process and a temporary license is the first step in obtaining a full license. We acknowledge that Revive will still have to meet all the city's requirements before we will be issued approvals to operate.

Please let me know if you need any additional information.

Sincerely,

Jacob Carlson,
Chief Executive Officer

Revive Medical Cannabis Business Permit Application

See application form in application binder.

Scope of Application

1. **Cannabis Manufacturing Permit:** Revive is applying for a permit to manufacture medical cannabis products, including non-volatile cold-water extractions, chocolate edibles; and topical salves. Upon approval from the City of Nevada for our local Cannabis Manufacturing license, we will be pursuing a Type 6, Type N Manufacturing License from the State of California.
2. **Distribution Permit:** Revive is also applying for a distribution permit. Upon approval from the City of Nevada for our local Cannabis Distribution license, Revive will be pursuing a Tier II Distribution license from the State of California.

Business and Parking Plan

Description of Day-to-Day Operations

Manufacturing Component: Revive manufactures medical cannabis products for sale to permitted dispensaries in California. This includes chocolate edibles (THC and CBD) and topical salves.

Revive procures dried cannabis flower as a raw material from permitted cultivators and converts the cannabis flower to a concentrate through a cold-water extraction. Our concentrates is then added to Revive chocolate edibles and topical salves.

Our small-batch chocolate edibles are handcrafted with fair trade certified organic chocolate in our commercial kitchen at our manufacturing facility. Chocolate is melted and homogenized with THC or CBD concentrate, then tempered, and cast into candy molds. Each batch is laboratory titrated and tested.

Our small-batch topicals are made with high-grade organic seed oil, beeswax, essential oil, and our THC or CBD concentrate. These ingredients are then mixed and poured into tamper-proof/child proof glass jars.

All Revive Medicinal Cannabis products are sealed, packaged, and labeled to meet both city and state requirements.

All of our products will be inventoried to meet compliance standards with the State Track-and-Trace system.

Upon approval from the City of Nevada for our local Cannabis Distribution license, Revive will be pursuing A Tier II Distribution license from the State of California.

How Revive Will Conform to Local and State Law

Revive will comply fully with local and state laws. Revive's legal counsel, Robert Finkle & Associates specializes in California cannabis law and his services included detailed knowledge of state and local regulatory codes. Revive's owners currently follows the emerging cannabis regulations very thoroughly and continually monitors changes made to California law. Revive will first obtain a permit from Nevada City and then apply for a state license.

How Medical Cannabis Will Be Tracked And Monitored to Prevent Diversion—Track-and-Trace System

Revive will purchase and utilize software that will interface with the State of California's METRC track-and-trace system to ensure compliance and prevent diversion. Revive plans to use Viridian Sciences software designed specifically for cannabis seed-to-sale applications including manufacturing and distribution. Their software directly connects with the state's track and trace system, METRC. Vividian is very familiar with California's compliance requirements. Viridian uses SAP as their software platform which is used extensively in Fortune 1000 companies throughout the world. (Please see attached METRC information.)

Physical security will be aided by a video surveillance system to satisfy the monitoring requirements of state law.

Parking Plan

There are four parking spaces available for Revive employees and visitors. Our manufacturing facility is not a dispensary and not open to the public. We are a "Business-to-Business" enterprise and we will only be servicing compliant, licensed cannabis operators. In addition, there are a pool of spaces in the back of the building that are available on a first-come, first-served basis. We believe that exceeds our requirements for daily parking needs.

A Schedule For Beginning Operation

Revive is proposing a three-phased process for our cannabis operations.

Phase I-Infrastructure:

- February-(Accomplished)
 - Complete Business plan
 - Secure a site
 - Complete architectural plans
 - Apply for Zoning Verification Letter from Nevada City's Planning Department
 - Submit permit application to Nevada City Planning Department
- March
 - Request review of Safety and Security plan from Nevada City Police Chief
 - Implement Security plan including any needed additional perimeter lighting and surveillance cameras
 - Develop fire suppression plan
 - Request review of Fire Suppression plan from Nevada City Fire Chief
 - Obtain permit from Nevada City Planning Department
 - Begin build-out of distribution packaging and storage rooms
 - Apply to The California Department of Public Health's Manufactured Cannabis Safety Branch (MCSB) and Bureau of Cannabis Control for temporary state Manufacturing and Distribution licenses
- April
 - Order equipment
 - Make manufacturing leasehold improvements
 - Install manufacturing equipment
 - Complete local inspections
 - Obtain temporary State licenses and apply for annual State licenses

Phase II-Distribution:

- March
 - Stock storage rooms with 2017 inventory (as per State defined transition period described in subchapter 7, Section 40600 of the Cannabis Regulations)
 - Implement Customer Relationship Management software (CRM) such as Salesforce
 - Implement necessary transport vehicle modifications
 - Establish licensed Medical Cannabis Businesses (MCBs) as new clients
 - Establish distribution territories and routes and deliver inventory to licensees

Phase III-Manufacturing:

- May
 - Begin manufacturing to bring inventory levels to meet projected supply demands
- August
 - Begin acquisition and implementation of METRC Track and Trace System for readiness by January 1, 2019; as per State of California requirements.
 - Develop IIP plan in preparation for hiring employees

Budget

See Exhibit 9 for detailed pro forma financial statements.

Neighborhood Compatibility Plan

The building complex in which Revive is located contains service businesses and wholesale manufacturers. The building is bordered by New Mohawk Road, Kidder Court with the Nevada County Narrow Gauge Railroad Museum and Inn Town Campground, and Gold Flat Court with Kelly Bike Company and Vital Garden Supply. Our visible activity and traffic levels will be minimal and should be far less than existing neighboring businesses.

Categorically, we will practice an open-door policy with our neighbors making our plans transparent. We plan to contact each of our immediate business neighbors to inform them of our plans and identify any concerns they may have.

Safety and Security Plan

Safety Plan

General Statements: Revive will be installing a commercial kitchen that follows all California Department of Public Health (CDPH), Food and Drug Branch (FDB) requirements necessary to be licensed under CDPH's Manufactured Cannabis Safety Branch (MCSB). Specifically Revive will meet all requirements for permissible cannabis extraction methods including mechanical extraction and chemical extraction using non-volatile solvents such as water and/or food-grade glycerin as outlined in Article 2 of the *California Code of Regulations, Title 17, Division 1, Chapter 13: Manufactured Cannabis Safety, Subchapter 1. General Provisions and Definitions*. Revive will also strictly adhere to guidelines outlined in

said *Code of Regulations*, Article 3, for Good Manufacturing Practices; maintenance of Grounds; Facility Construction and Design; Sanitary Operations; Sanitary Facilities and Controls; and handling of Equipment and Utensils. Revive will also meet all requirements outlined in Article 4 regarding Production and Process Controls including: Maintenance of Quality of Raw Materials and Ingredients; maintenance of Manufacturing Operations; conducting and preparing a written Hazard Analysis; developing written Preventive Controls; establishing and implementing written procedures to ensure Equipment and Machinery Qualification for safe use; establishing and following a written Master Manufacturing Protocol; maintaining a written batch production record for every cannabis product manufactured; establishing and implementing written procedures to handle Product Complaints; and establishing and implementing written procedures for Recalls.

Package Safety

In general, Revive will comply with Section 40415 of the California Cannabis Licensing Regulations covering packaging. We are actively working with Sungrown Packaging out of Oakland to design compliant packaging. We will bring packaging prototype to the Planning Commission upon request. Each Revive chocolate bar will have two stages of packaging. The first being a tamper-proof heat-sealed mylar sleeve. We are currently in the planning stages with Sungrown Packaging to develop the outside box container which will be childproof. All products will contain a unique identification number for track and trace and a batch number for lot control in the case of a product recall. For topical salves, Revive will be using glass jars with child-proof lids.

Packaging: In addition to the statutory requirements (not attractive to children and tamper-proof), Revive will meet the packaging standards recommended by the California Department of Public Health: (1) prohibit packaging from resembling traditionally available food packages; (2) require packaging to be resealable if it includes more than one serving; and (3) require edible products to be packaged in opaque packages. All Revive manufactured products will be packaged in their final form prior to release to a distributor.

Labels: In addition to the statutory requirements (not attractive to individuals under age 21, mandated warning statements, THC content) Revive will adhere to CDPH requirements for each label including: (1) a listing of all ingredients in descending order; (2) the amount of sugar, sodium, and fat per serving; and (3) a cannabis product symbol. The proposal will prohibit labels from making any claims of health or other physical benefit. Revive labeling will also clarify what is considered "attractive to individuals under age 18" – no cartoons, no images popularly used to advertise to individuals under age 18, no imitations of candy packaging or labeling, etcetera.

Employee Safety

Revive's top company priority is to provide a safe, secure and healthy work environment.

Revive's safety plan is built around the following principles:

- Prevention
- Mitigation
- Response

The core of Revive's safety plan is training and adherence to the following:

- Equipment operation and safety procedures
- Emergency procedures
- Security plan

Revive will develop a written Injury and Illness Prevention (IIP) plan using CAL-OSHA guidelines. The IIP will contain the following elements:

- Responsibility—the employer's written IIP Program must provide the name and/or job title of the person(s) with the authority and responsibility for its implementation. Employees must be able to give the name of the individual whose title is designated as responsible for the IIP Program
- Compliance—a system must be set forth in writing to ensure that employees comply with safe and healthful work practices.
- Communication—a system for communicating with employees about safety and health matters in a form easily understood such as meetings, training programs, posted or written notification must be part of the employer's written IIP Program. Employees must be encouraged to inform their employer of hazards at the work site without fear of reprisal.
- Hazard assessment—procedures for identifying and evaluating workplace hazards-such as periodic inspections performed by a competent observer-must be provided in the IIP Program. In addition, we will have written Standard Operating Procedures (SOPS) for all major manufacturing processes.
- Accident/exposure investigation—a procedure to investigate workplace injuries or illnesses will be provided in the IIP. Hazard correction-methods and procedures for correcting all existing workplace hazards, and unsafe or unhealthful work conditions or work practices in a timely manner must be provided in the IIP, and specific abatement methods must also be included.
- Training and instruction—an effective program of instructing employees on general safe work practices and hazards specific to each job assignment must be provided in the IIP, and the required training must be given.

Fire Suppression

Revive will develop a fire suppression plan in conjunction with a certified fire suppression company and Nevada City's fire chief. This plan will comply with the National Fire Protection Association (NFPA). There is a new section, Chapter 38 in the 2018 regulations that specifically covers cannabis manufacturing. The fire suppression plan will be designed considering the specific equipment, and specific layout of manufacturing facility we will use in our New Mohawk location. We will use our locally approved fire suppression plan that meets NFPA regulations in order to obtain a state license.

Our tenancy at 138 Mohawk includes a fire suppression sprinkler system that meets commercial building fire codes. Revive uses a cold-water extraction system which requires no heat or solvents other than water, we feel that the current fire suppression system will be adequate for meeting the State of California safety standards for cannabis manufacturing.

Odor Mitigation Plan

There are three stages of manufacturing in our facility that have the potential for odor: During extraction, cannabis flower storage, in edibles kitchen, and during packaging. We will use an activated carbon odor control system in room that has an odor content. Based on our experience in the cannabis industry, these carbon filters are very effective for odor mitigation.

Security Plan

[REDACTED]

Video Surveillance: Revive will install a security alarm system to notify and record incidents where physical barriers have been breached. The section of California cannabis regulations that cover video surveillance is DPH-17-010E, Section 40205 and it specifies the following minimum requirements:

- 1280x720 pixels minimum
- 24 hours/day at a minimum of 15 frames/second
- All recordings kept for minimum 90 days
- Capable of supporting remote access
- Installed in a manner that prevents obstruction, tampering, and disabling
- Installed to cover anywhere cannabis is weighed, packed, stored, quarantined, loaded, unloaded prepared, or moved within the premises; security rooms, limited-access areas, inside & outside building; areas containing surveillance-system storage devices, in which case, at least one camera will record the access points to such areas; the interior and exterior of all entrances and exits to the premises
- Display time and date

The video surveillance system will be capable of supporting remote access by Revive.

The surveillance systems will record continuously 24 hours per day and at a minimum rate of 15 frames per second.

All recording and monitoring equipment will be located in secure rooms or areas of the premises in an access-controlled environment.

All surveillance recordings will be kept on the licensee's recording device for a minimum of 90 days.

All video surveillance recordings are subject to inspection by the state's cannabis bureau and will be copied and sent, or otherwise provided, to the bureau upon request.

The video recordings will display the current date and time of recorded events and their display will not specifically obstruct the view of the recorded images.

Revive will secure and backup electronic records in a manner that prevents unauthorized access while ensuring the integrity of the records maintained. Revive will have on-site and Cloud backups of the recorded data.

There are many systems to choose from that will meet the state's requirements, e.g. iVideon, Honeywell, ADT, Samsung and others. We have not made our final determination of the type of system or brand we will purchase, but we can commit that our selection will meet all of the requirements listed above. We are currently assessing our options in conjunction with our security consultants including on-premise solutions, cloud solutions and hybrid solutions.

Limited Personnel Access: Revive will implement an identification and sign-in/sign-out procedure for authorized personnel including vendors, visitors and customers. The outside

area of the manufacturing premises will be maintained to ensure visibility for security monitoring. Revive will also establish procedures for the investigation of suspicious activities.

Inventory System: To prevent theft or loss of cannabis and cannabis products, Revive will establish an inventory system to track cannabis material and the personnel responsible for processing it throughout the manufacturing process that is compatible with the state's track and trace system, METRC. Personnel access will be limited within the premises to those areas necessary to complete job duties, and to those time-frames specifically scheduled for completion of job duties. Tasks with high potential for diversion (including the loading and unloading of cannabis transportation vehicles will be supervised by Revive's management team.

Employees will be provided an area where they can store and access personal items.

Environmental Benefits

Revive uses organic materials throughout its process, beginning with its cultivators who use organic materials and methods and grow outdoors. The plant material is processed using water. Any spent materials from the extraction process will be incinerated. All cannabis and chocolate ingredients are grown without use of toxic synthetic pesticides or toxic synthetic fertilizers. All ingredients are also grown with sustainable land-use practices and according to Fair Trade standards. Revive is proud to be directly investing in the sustainable future of our planet.

Revive will choose PG&E's alternative for 100% renewable energy sources, including LED lighting. The manufacturing process uses modern equipment with high energy efficiency.

We also plan to implement a green program within the facility that includes in-house recycling, banning single-use disposable bottles and products whenever possible, Cloud-based document storage instead of office paper storage, and power conservation to reduce our carbon footprint.

Community Benefits

I. Tax Revenue

Nevada City is in the process of establishing local sales tax structure for permitted cannabis businesses. Revive fully supports the city's current tax plan proposal for cannabis businesses. A two percent cannabis business tax levied on our net revenue would contribute approximately [REDACTED] to the city from Revive over a five-year period.

II. Local Employment

All the founders of Revive live in Nevada City, Grass Valley, or Nevada County. We have a fundamental commitment to hiring locally. Because of the existing pool of cannabis expertise and other required skill sets, we expect no problems filling our open positions locally.

III. Charitable Donations

Revive has established a track record over the past five years of giving generously and volunteering to local charitable organizations. It is our intent to continue this practice increasing our donations in line with profit growth. At this time we are choosing three organizations to receive our charitable giving: [REDACTED]

IV. Local Commerce

Revive will invest over [REDACTED] in a new production facility and pay more than [REDACTED] per year in local and state license annual renewal fees. There are many small local cannabis businesses that will not be able to afford such facilities. Our bulk medicinal edible and topical salve production capacity will enable licensed dispensaries and dispensaries to obtain the products they need to provide clients with needed medicinal and compassionate-use products. A supply of cannabis products to local dispensaries and distributors will help build an overall licensed cannabis industry in Nevada City and contribute to the overall economy.

In addition, there will be major investment made to grow the Revive brand of Cannabis products. As Revive grows its brand, not only will the city receive tax revenue, the community will benefit from the positive, healing focus of Revive.

Labor and Employment

General Considerations

In year of one of operations, Revive Owners will handle all aspects of manufacturing and distribution of Revive products. We hope that by year two we will be in a position to hire employees. Upon reaching said goals we implement the following:

Our employees are instrumental to the success of the business and providing a healthy and satisfying environment is a high priority. Most of the jobs we create will be skilled. Our

goal is to hire locally, and we believe we can accomplish this because of the talented cannabis labor pool in Nevada County.

Revive will employ four people initially and grow that base as the business develops. In 2019 we expect to hire 2 to 4 additional employees.

- Revive is an equal opportunity employer.
- Employees must be 21 years of age, a California resident, and a verifiable medical cannabis patient to work at Revive.
- All employees are required to comply with the City of Nevada City Ordinance regulating Medical Cannabis Businesses, the regulations from the Bureau of Cannabis Control, and all applicable federal laws.
- Employment candidates residing in Nevada County will receive preferential treatment in line with Revive's policy on supporting local businesses.
- Revive will comply with all employment and labor laws.

Workplace Environment and Culture

Revive will cultivate a positive, high energy, and challenging work environment. We will encourage open communications and transparency in our business activities. In protecting a safe and healthy working environment where everyone feels secure and supported, Revive prohibits violence of any kind. Any threats or acts of violence are not allowed. Acts of violence include but are not limited to threats, carrying and/or displaying any weapon, fighting, or harassing. Any employee found threatening or participating in any violence toward themselves or another person will be disciplined and possibly terminated.

Hiring and Background Checks

Revive is dedicated to hiring competent, detail-oriented local residents that can comply with the strict regulations that govern cannabis businesses. When reviewing background check results, the hiring manager will verify that applicants have not been convicted of any crimes listed in Business and Professions Code section 19323.

Compensation

Revive's hourly employees will earn, at a minimum, a wage of [REDACTED] per hour. Employees with the specialized skill sets will start at [REDACTED] hour. Raises will be granted on an annual basis or when performance merits a raise, whichever is sooner. All employees will receive an annual performance review from their manager to assess their performance and development needs.

Revive will retain a payroll service company to administer all payroll related activities including the withholding of taxes. Time cards will be collected on the 1st and the 15th of

Employee Benefits

Revive will provide a group health insurance policy option to its employees. The company will cover 50% of the cost of each employee's insurance premiums.

[REDACTED]

Employees of Revive shall receive appropriate training for their intended duties to ensure understanding of rules and procedures related to the cannabis industry in compliance with state and local law. Revive will conduct initial training for our staff to include general policies and procedures, as well as training on the laws and science of medical cannabis.

All employees will receive initial hire and ongoing training in Revive's products, policies, and compliance practices. Initial hire training will include:

- Company Policies and Standard Operating Procedures
- Specialized safety and security training
- Certification and safety training for equipment operation and safety procedures
- Proper product handling and storage
- Proper sanitation procedures

Continuing Education: Revive will cover up to 50% of the cost of employee's continuing education that is relevant to Revive's business and approved by the employee's manager.

Employee Communications

Revive will conduct weekly managers' meetings and a monthly all-employee team meeting. These meetings are a time to receive updates on new policies, brainstorm on ways to improve the business operations and conduct team building exercises.

Anti-Discrimination Policy

Revive is committed to providing a workplace where all individuals are treated with respect and professionalism. The policy of Revive is to provide equal employment opportunities for all employees and applicants without consideration to race, ethnicity, religion, sex, age, national origin, marital status, physical or mental disability, as pertaining to the extent of the law. Consistent with this commitment is to give employees the right to work in an environment free from discrimination, harassment or retaliation based on the factors stated above as well as pregnancy, non-work affecting medical conditions, ancestry, political affiliations, sexual orientation, veteran status and gender identity. Revive prohibits

any form of discrimination; treating a person less favorably than others have been treated based on the previously stated characteristics protected by law.

Sexual Harassment Policy

Sexual harassment is a violation of the law and Revive's anti-discrimination policy. Sexual harassment will not be tolerated by any employee in the workplace. Any conduct of a sexual nature including words and/or physical acts that interferes with an employee's work performance, or creates an intimidating, hostile, uncomfortable or offensive work environment is prohibited. If any form of sexual harassment takes place within the workplace of Revive then a manager needs to be notified as soon as possible, preferably within twenty-four hours.

Drug Free Workplace

The use and presence of illegal drugs at Revive is prohibited. Employees may not work when impaired by any drug that is prescribed or recommended by a doctor including medical cannabis. The distribution, possession, use or sale of controlled substances such as drugs or alcohol is strictly against the law and Revive's drug-free policy.

All employees are restricted from unlawfully distributing, dispensing, manufacturing, possessing and/or using controlled substances in the workplace.

Any employee convicted of violating a criminal drug law or policy within or outside of the workplace must notify their manager within seven days of conviction. Revive supports employee rehabilitation through education and/or counseling services. Rehabilitation may be given or made mandatory to those who violate any of the drug policies to continue employment at Revive. Rehabilitation is not guaranteed as a stipulation of preserving employment.

Safety and Security: Standards and Expectations

Revive top priority is to provide a safe and healthy work environment. Supporting secure working conditions where positive communication, clear business practices and overall employee safety and wellness is important. We expect employees to be aware of any unsafe working conditions or circumstances that may interfere with the health and safety of others. It is an employee's responsibility to confront or report any situations that is in any way harmful or disruptive to the flow of business.

Collective Bargaining Rights

Revive will comply with the National Labor Relations Act and will not interfere with, restrain, or coerce employees in the exercise of rights relating to organizing, forming, joining or

assisting a labor organization for collective bargaining purposes, or from working together to improve terms and conditions of employment, or refraining from any such activity.

Local Enterprise

Local Employment Strategy

Revive's founders reside in Nevada City and Grass Valley and are the company's managers and shareholders. We will seek out and hire our personnel needs from Nevada County. By hiring locally, we can lessen the environmental impact of commuting, direct tax revenue back into Nevada City's economy, and cultivate community involvement.

Revive intends to provide its products to approved dispensary and distribution businesses in Nevada City.

Hiring locally is a major priority for Revive. We intend to hire all employees from Nevada City and Nevada County, and we expect to find sufficient talent and experience from this local labor pool. We have already received expressions of interest from prospective employees.

Supporting Local Business

Revive has already been consciously supporting our local businesses by buying supplies for our business and food and services in the nearby area. We have already used the services of or have received bids from the following Nevada County businesses:

- House of Print & Copy
- The Real Graphic Source
- API Graphics, Steve Reynolds
- The Clinic of Dr. Toy and Dr. Vassar
- Briar Patch
- South Pine Cafe
- Curly Wolf Cafe
- David Franco, CPA
- Gold Country Security
- Hills Flat Lumber
- Forever Flowering
- Vital Garden Supply
- Ag Natural
- Grass Valley Hydrogarden
- Peaceful Valley Farm Supply
- California Organics

- SPD Markets
- B&C Hardware
- Sweetland Garden Supply
- Summer Thyme's Bakery Deli

Promise to Secure Local Products

One of Revive's core values is to contribute to our local economy. Revive will pledge to prioritize cannabis products from locally permitted businesses. As Nevada City, Nevada County, and Grass Valley produce business permits, Revive will give local businesses preference when selecting its product vendors. This means more local jobs and added revenue for the city and county. At this time Nevada City is the only local jurisdiction that has a cannabis ordinance allowing commercial activities. We expect this to change in the next few years, at which time we will consider other regional licensed vendors.

Qualification of Principals

Jacob Carlson, Chief Executive Officer, a resident of Nevada County for over twenty years, has devoted his career to all facets of the cannabis industry. Since personally discovering the medical benefits of cannabis twenty five years ago while recovering from a debilitating back injury, Jacob's portfolio of cannabis skills start in the laboratory and end on the farm. He has won national awards for his cannabis clones and managed full farm cultivation operations. He launched the Flavor Savor Project to protect rare strains and distributed his clones to many licensed cooperatives. He has extensive experience in indoor cultivation including greenhouse construction, light deprivation, compost tea preparation, automated irrigation systems and soil compositions. Jacob has also perfected his skills in the kitchen-laboratory where he's produced a variety of medicinal, topical and edible products using various processes including cold-water extraction techniques. He is a successful entrepreneur, building both a well-known art-glass studio and a production facility.

Sara Laurin, Owner/Distribution, has been a resident of Nevada County for almost twenty years with fifteen years of owner/operator experience. Sara brings many skills to the Revive team including oversight of daily operations; team management; finance; marketing; and maintenance and eventual selling of businesses. She has owned, operated, and sold three thriving restaurants in the area: Summer Thyme's Bakery Deli, Caleb's Creamery & Coffee, and Blue Cow Deli. She has also served on several non-profit boards, including Penn Valley Chamber of Commerce and Haute Trash Art Collective in Nevada City. Sara will be overseeing the Sales and Distribution of all Revive products.

Scott Wellman, Owner/Manufacturing, has been a resident and business owner in Nevada County for 30 years. He has owned and operated Economy Chimney Sweeps cleaning service;

Express Gourmet wholesale deli and baked goods; is currently co-owner of both the the Truffle Shop retail outlet in Nevada City and De Groot Desserts wholesale confectionery kitchen in Grass Valley. His culinary background, confectionery artistry, and knowledge of chocolate makes him an essential component of the Revive team to provide the necessary expertise and skills for their line of products as well as the development and manufacturing of edibles for other companies' branding.

BACKGROUND INVESTIGATION RELEASE

To Whom It May Concern:

I am an applicant/employee with a Medical Cannabis Dispensary in the City. I desire and request the City Manager, or Chief of Police of the City of Nevada City, and/or his/her agents, employee or lawful representative(s) to take my photograph and fingerprints or use the information in this application for the purpose of conducting a background check to verify that I meet the qualifications required to obtain a Medical Cannabis Dispensary Permit to operator or to be employed with such business as required by the City Municipal Code and/or State Law.

I agree to provide any information requested or deemed necessary to provide to the State of California Department of Justice and the Federal Bureau Investigation, or any other law enforcement agency or third-party consultant authorized by the City Manager or Chief of Police.

I understand this will serve to disclose any record of arrests to which I have been the subject that resulted in conviction. I further agree to hold the City of Nevada City, its officers, agents, or lawfully delegated representatives, harmless from any action(s), or damages whatsoever or at all, which may result from the taking of such fingerprints or forwarding them to the appropriate law enforcement agency for a records check, and/or obtaining access to any other documentation which pertains to meeting the qualifications for a Medical Cannabis Dispensary Permit or Employee Permit.

By signing this form, I acknowledge and agree to comply with all the conditions and terms of this application. I also understand that falsifying and/or omitting any information on this application may be grounds for denial of a permit or is grounds for termination of employment per the Nevada City Ordinance.

BACKGROUND INVESTIGATION RELEASE

To Whom It May Concern:

I am an applicant/employee with a Medical Cannabis Dispensary in the City. I desire and request the City Manager, or Chief of Police of the City of Nevada City, and/or his/her agents, employee or lawful representative(s) to take my photograph and fingerprints or use the information in this application for the purpose of conducting a background check to verify that I meet the qualifications required to obtain a Medical Cannabis Dispensary Permit to operator or to be employed with such business as required by the City Municipal Code and/or State Law.

I agree to provide any information requested or deemed necessary to provide to the State of California Department of Justice and the Federal Bureau Investigation, or any other law enforcement agency or third-party consultant authorized by the City Manager or Chief of Police.

I understand this will serve to disclose any record of arrests to which I have been the subject that resulted in conviction. I further agree to hold the City of Nevada City, its officers, agents, or lawfully delegated representatives, harmless from any action(s), or damages whatsoever or at all, which may result from the taking of such fingerprints or forwarding them to the appropriate law enforcement agency for a records check, and/or obtaining access to any other documentation which pertains to meeting the qualifications for a Medical Cannabis Dispensary Permit or Employee Permit.

By signing this form, I acknowledge and agree to comply with all the conditions and terms of this application. I also understand that falsifying and/or omitting any information on this application may be grounds for denial of a permit or is grounds for termination of employment per the Nevada City Ordinance.

BACKGROUND INVESTIGATION RELEASE

To Whom It May Concern:

I am an applicant/employee with a Medical Cannabis Dispensary in the City. I desire and request the City Manager, or Chief of Police of the City of Nevada City, and/or his/her agents, employee or lawful representative(s) to take my photograph and fingerprints or use the information in this application for the purpose of conducting a background check to verify that I meet the qualifications required to obtain a Medical Cannabis Dispensary Permit to operator or to be employed with such business as required by the City Municipal Code and/or State Law.

I agree to provide any information requested or deemed necessary to provide to the State of California Department of Justice and the Federal Bureau Investigation, or any other law enforcement agency or third-party consultant authorized by the City Manager or Chief of Police.

I understand this will serve to disclose any record of arrests to which I have been the subject that resulted in conviction. I further agree to hold the City of Nevada City, its officers, agents, or lawfully delegated representatives, harmless from any action(s), or damages whatsoever or at all, which may result from the taking of such fingerprints or forwarding them to the appropriate law enforcement agency for a records check, and/or obtaining access to any other documentation which pertains to meeting the qualifications for a Medical Cannabis Dispensary Permit or Employee Permit.

By signing this form, I acknowledge and agree to comply with all the conditions and terms of this application. I also understand that falsifying and/or omitting any information on this application may be grounds for denial of a permit or is grounds for termination of employment per the Nevada City Ordinance.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 82-1180689. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

A limited liability company (LLC) may file Form 8832, *Entity Classification Election*, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, *Election by a Small Business Corporation*. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.

To obtain tax forms and publications, including those referenced in this notice, visit our Web site at www.irs.gov. If you do not have access to the Internet, call 1-800-829-3676 (TTY/TDD 1-800-829-4059) or visit your local IRS office.
